¹Provider survey results for full-time staff (defined in the survey as staff working more than 30 hours per week; providers reported that approximately two-thirds of the workforce is full-time)

²BLS' 2013 National Compensation Survey (http://www.bls.gov/ncs/ebs/benefits/2013/ownership_private.htm); data reported is for private employers in the South Atlantic region

³Combined Social Security tax rate of 6.2% and Medicare tax rate of 1.45%

⁴Applies to first \$7,000 in wages

⁵Applies to first \$8,000 in wages

⁶BLS data for vacation and sick leave is based on national figures for employees with 1-5 years of experience (average for those with 6-10 experience is 15 days of vacation and 6 days of sick leave)

⁷In addition to BLS data, other data sources were reviewed. According to 2013 data from the U.S. DHHS' Medical Expenditure Panel, the average premium for a single person policy across all employers in Virginia was \$450.67 with an employer share of \$347.00 (Tables II.C.1 and II.C.2). Data from U.S. DHHS, Kaiser, and the Urban Institute, the cost of the 'benchmark' silver plan offered through the federal health insurance exchange in Virginia was less than \$300 per month for persons under 40 years old (the cost varies by age and location, but was always less than \$300; for those 50 years of age or older, the benchmark premiums were between \$300 and \$500)

⁸BLS provides information for a variety of other benefits that cannot be combined
