

Join Us at the “**Don’t Cap Our Care!**” Rally #NoCapsNoCuts #SaveMedicaid

WHEN: TUESDAY, JUNE 6
TIME: 11:30 am - 12:30 pm
WHERE: Capitol Hill, 1st St SE & Constitution Ave
(across from the Supreme Court)

Join Advocates, Senator Casey (PA), Hon. Tony Coelho, and other members of Congress to Stop Medicaid Caps and Cuts and Save the Lives of People with Disabilities

- The American Health Care Act (AHCA), if passed, will cut more than \$800 billion from Medicaid over the next decade.
- “Per capita caps” will devastate Medicaid-funded services that people with disabilities need to live, work and participate in their communities.
- Medicaid provides specialized healthcare services like nursing, personal care and therapies to children and adults with disabilities and seniors.

The U.S. Senate is writing their health care bill now. We must let Senators know that:

MEDICAID MATTERS and MEDICAID CUTS and CAPS ARE UNACCEPTABLE!
